

# “I Have a Dream”<sup>®</sup>

BOULDER COUNTY

Helping Dreamers Become Achievers

- One Child at a Time

The “I Have a Dream”<sup>®</sup> Foundation of Boulder County (IHAD), motivates and empowers children from low-income communities to reach their education and career goals by providing a long-term program of mentoring, tutoring, cultural enrichment and tuition assistance for higher education. IHAD, founded in 1990, is dedicated to educating and nurturing low-income children in an effort to provide them with a brighter future. Through IHAD’s efforts, school dropout rates among children in our programs have drastically decreased. IHAD’s goal is for each student in the program to graduate from high school prepared to pursue a higher education and a fulfilling career.

IHAD offers Dreamers a broad range of educational enrichment activities as well as a strong support network of caring adults. Current programs offered through IHAD include tutoring, mentoring, family outreach, technology training, counseling, college and career preparation, incentives and rewards, and community service projects.

Funds raised from the CTC Corporate Challenge will benefit our *Fitness for Life* program. Through our *Fitness for Life* program, Dreamers have the chance to participate in a number of recreational activities as a way to boost physical fitness and gain exposure to a variety of sports and physical activities. *Fitness for Life* activities include: Aces for Kids Tennis program, Friday Fitness Club at YMCA, Burton Chill snowboarding program, training for and participating in the Boulder Boulder, and the opportunity to enroll in physical fitness classes of their choice.
